# ABOUT

The Scottish Volleyball Association (SVA) is the National Governing Body for Volleyball in Scotland. To read more about us go to [scottishvolleyball.org](http://scottishvolleyball.org)

# BECOMING A MEMBER

By completing the attached form, you are registering your child as member of the SVA. The information you provide is vital to the continued funding of the SVA, which gives us the ability to run our events, and to continue to support your child to participate in Volleyball. This information will be put into our online database, where you'll have a login to access the information we retain on your child.

Your school will let you know if you need to pay the annual membership, which is £3, and enables your child to participate in all School Festivals and will allow us to send you information about Flying Scots, summer camps, and any other relevant SVA events.

Without this membership your child is unable to take part in these events, so it's important that you complete this form.
