

## UKAD Clean Sport Hub Step-by-step Guide:

1. Go to [www.ukad.org](http://www.ukad.org) and select Clean Sport Hub

UKAD → Protect Your Sport

It takes a team

# Protect Your Sport

Protecting clean sport depends on everyone in sport playing their part to maintain a level playing field. **We know we can't do it alone. It takes a team.**

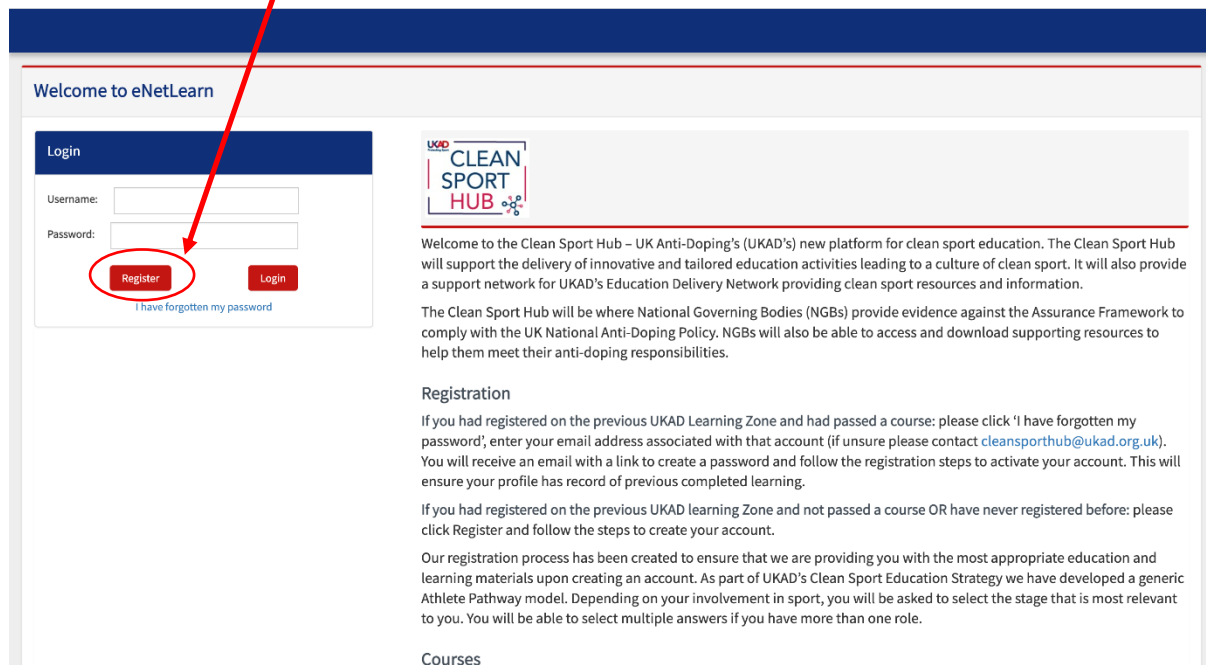

Clean competition rests on athletes, parents and support staff having the know-how to speak out when something's wrong within sport - no matter how small the information may seem.

**Protect Your Sport from those who seek to cheat.**

### CLEAN SPORT HUB

Welcome to the Clean Sport Hub – UK Anti-Doping's (UKAD's) new platform for clean sport education. The Clean Sport Hub will support the delivery of innovative and tailored education activities leading to a culture of clean sport. It will also provide a support network for UKAD's Education Delivery Network providing clean sport resources and information.

The Clean Sport Hub will be where National Governing Bodies (NGBs) provide evidence against the Assurance Framework to comply with the UK National Anti-Doping Policy. NGBs will also be able to access and download supporting resources to help them meet their anti-doping responsibilities.

#### Registration

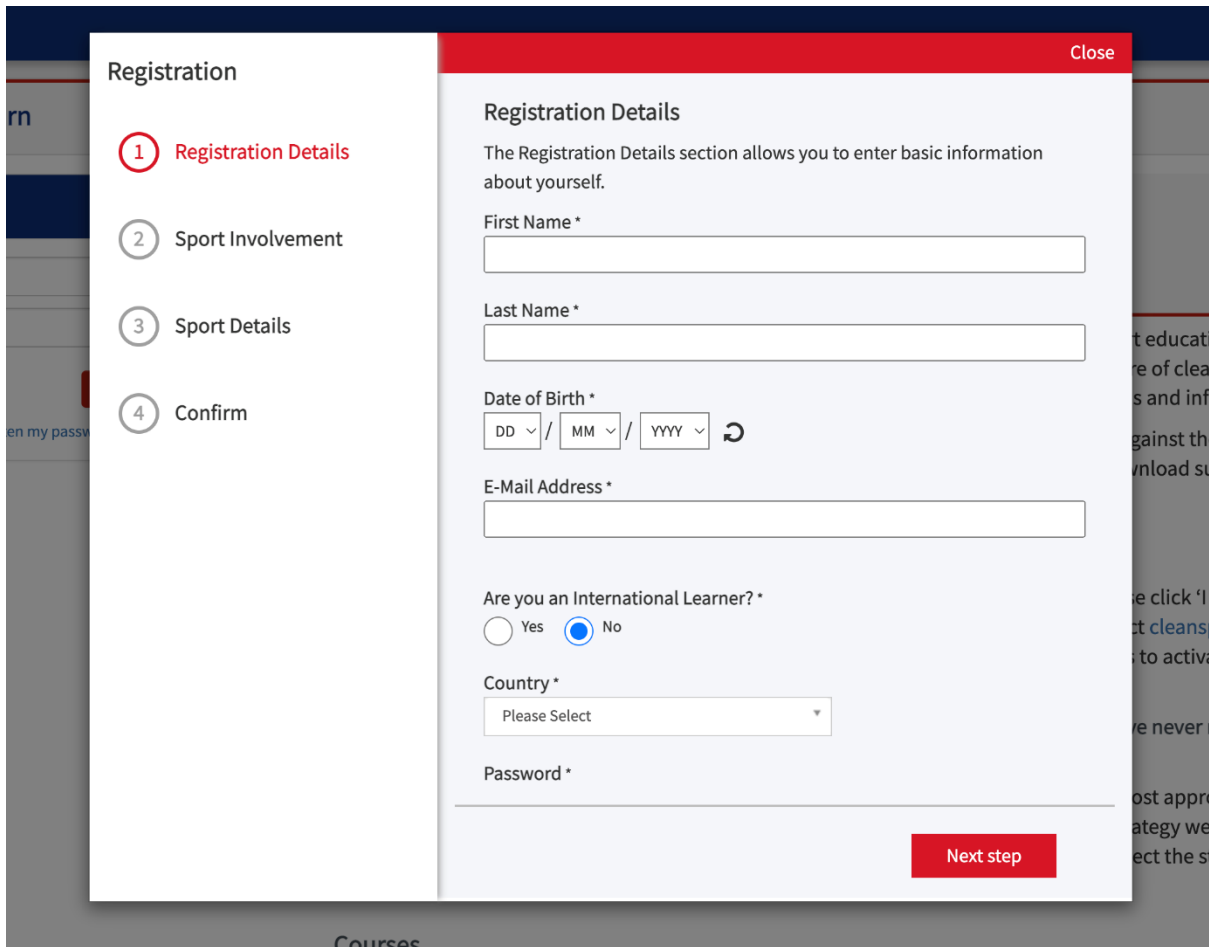

If you had registered on the previous UKAD Learning Zone and had passed a course: please click 'I have forgotten my password'; enter your email address associated with that account (if unsure please contact [cleansporthub@ukad.org.uk](mailto:cleansporthub@ukad.org.uk)). You will receive an email with a link to create a password and follow the registration steps to activate your account. This will ensure your profile has record of previous completed learning.

If you had registered on the previous UKAD learning Zone and not passed a course OR have never registered before: please click Register and follow the steps to create your account.

Our registration process has been created to ensure that we are providing you with the most appropriate education and learning materials upon creating an account. As part of UKAD's Clean Sport Education Strategy we have developed a generic Athlete Pathway model. Depending on your involvement in sport, you will be asked to select the stage that is most relevant to you. You will be able to select multiple answers if you have more than one role.

#### Courses

- Complete the registration details and agree to the UKAD Clean Sport Hub terms and conditions to complete your profile.

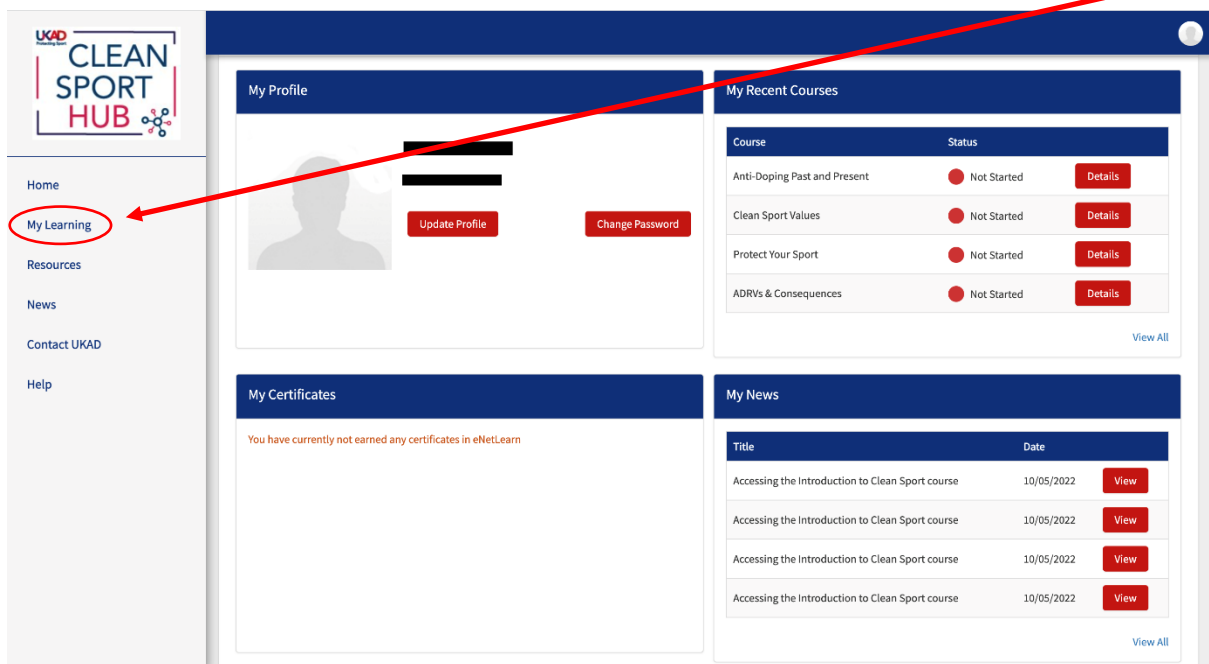

The screenshot shows a 'Registration' modal window with a sidebar menu and a main form area. The sidebar menu has four items: '1 Registration Details' (highlighted with a red circle), '2 Sport Involvement', '3 Sport Details', and '4 Confirm'. The main form area is titled 'Registration Details' and contains the following fields:

- Registration Details**: The Registration Details section allows you to enter basic information about yourself.
- First Name \***: Text input field.
- Last Name \***: Text input field.
- Date of Birth \***: Date picker with dropdowns for DD, MM, and YYYY, and a refresh icon.
- E-Mail Address \***: Text input field.
- Are you an International Learner? \***: Radio buttons for Yes and No (No is selected).
- Country \***: Dropdown menu with 'Please Select' as the current selection.
- Password \***: Text input field.

A red 'Next step' button is located at the bottom right of the form area. A 'Close' button is in the top right corner of the modal.

- You have now created your profile. To view your anti-doping courses, select 'My Learning'.

The screenshot shows the user dashboard for the UKAD Clean Sport Hub. A red arrow points from the 'My Learning' link in the left-hand navigation menu to the 'My Recent Courses' section. The dashboard includes the following sections:

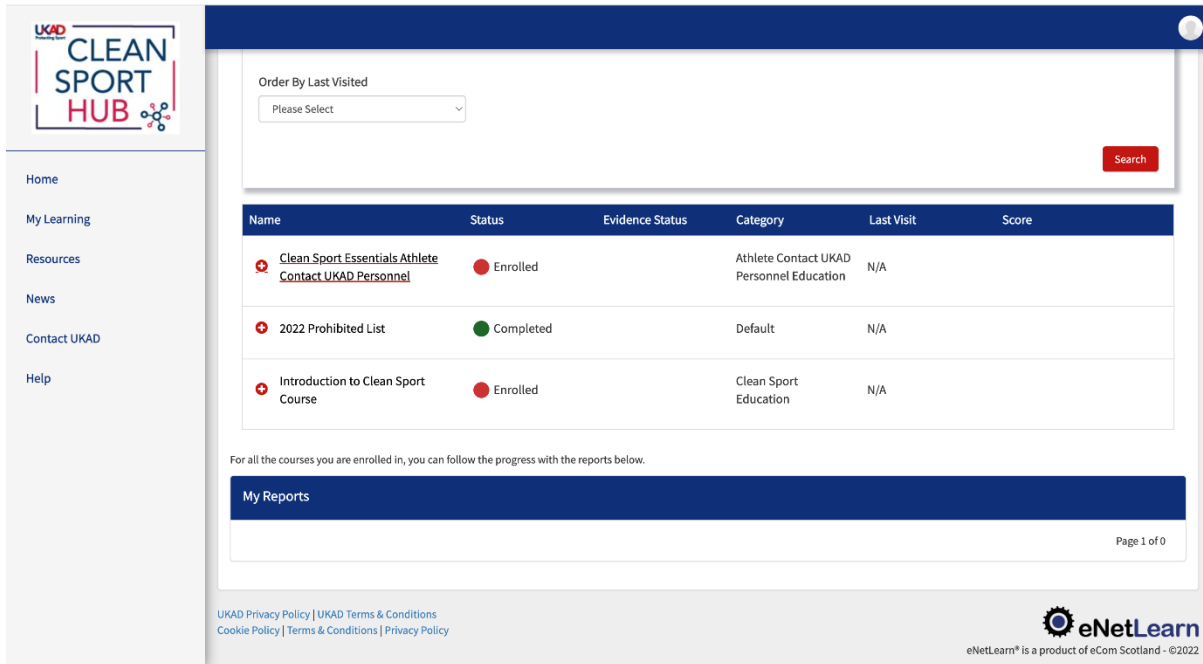

- My Profile**: Shows a user profile picture placeholder, a name, and buttons for 'Update Profile' and 'Change Password'.
- My Recent Courses**: A table listing courses and their status.
