

## High Performance Beach Coach and Programme Manager

### Job specifications and Remit

Summary of Duties and Responsibilities include but are not necessarily limited to:

#### High Performance Coaching

- Facilitate the achievement of Scottish Volleyball's beach volleyball key performance indicators, inclusive of qualification for the Victoria 2026 Commonwealth Games.
- Recruit athletes, coaches and support and staff and effectively management their development.
- Lead the Scottish National Beach Team to provide differentiated and developmentally appropriate training and competition experiences for selected athletes.
- Actively engage partnerships with other National Federations and organisations to facilitate programme, athlete, and coach development opportunities.
- Support the development of a national network of qualified coaches to effectively identify high potential players. Identify, evaluate, select, recruit, and train network personnel on key processes and procedures.
- Support the creation and effective utilisation of feedback reports and personalised development plans for selected athletes.

#### Programme Management

- Responsible for the development and implementation of resources through effective financial planning and management. Develop and monitor annual budgets.
- Support the development and implementation of reports to evaluate and report upon athlete progress, athlete, coach, and parent engagement, stakeholder satisfaction, and programme impact.
- Support requests for written and verbal reports for internal and external stakeholders and present departmental programme information as requested.
- Coordinate with Scottish Volleyball competitions officer and performance management group to improve quality and competitiveness of high-performance outlets.
- Coordinate with National Team Coaching Staff to identify opportunities to organise and/or participate in high quality international tournaments and friendlies.

#### Other

- Deliver high quality, online learning experiences for athletes, Network coaches, clubs, and parents. Coordinate with Scottish Volleyball, the Performance Management Group, National Team Coaching staff (Network coaches), coaches commission, to create and develop a meaningful and engaging curriculum.
- Work with our national sports body and funder **sport**scotland to delivery coach education in person and online.
- Coordinate with the Scottish Volleyball staff, and National Team Coaching staff to ensure that programmes, philosophies, and language are aligned to that of the Governing body.
- Other duties and projects as assigned
